

Beyond Barriers: Building a Stronger Workforce Together

This is a free event for Armstrong County businesses & employers to participate in a panel discussion between employers currently employing individuals with Intellectual Disabilities and/or Autism & you as a potential employer. The discussions will focus on the many positive benefits of hiring an individual with disabilities, including business growth potential, community impact, staffing shortages and turnover rate.

Please send 1 or 2 representatives from your business to discover the potential for collaborative workforce development at the Beyond Barriers: Building a Stronger Workforce Together panel discussion. You will walk away with solid solutions & ideas to build a strong workforce while embracing diversity & inclusion.
