TECH Snack Box

Your new favorite snack box with social impact

The **TECH Program (Teaching E-Commerce & Computers to the Homeless)** is a Shenango Valley Urban League workforce development program employing individuals ages 18 up to 24 who are homeless based on HUD's four categories of homelessness. The TECH Program provides e-commerce and computer skills education in addition to paid work experience that will help make program participants more employable and job ready. This program has a goal of taking program participants from homeless to housed. **Every snack box purchased helps each homeless participant**

get one step closer to securing gainful employment, attaining affordable housing, and achieving self-sufficiency.

TECH Program participants gain skills by fulfilling and shipping your snack box orders!
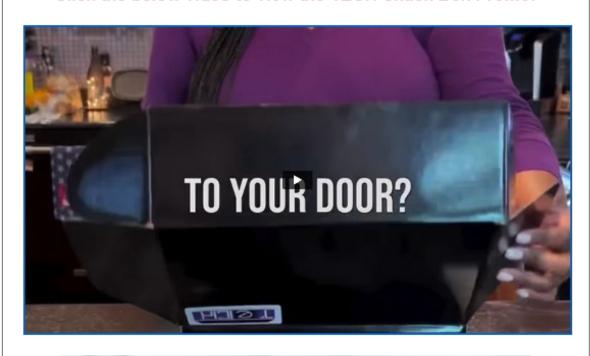

Monthly, bi-monthly, and quarterly subscription snack boxes available.

Makes great gifts for birthday, anniversary, graduation, staff/client gifts, or as a thank you.

Have a student in college? Sign them up to receive a monthly snack box!
