FREE WEBINAR:

DO FOR, DO WITH, AND CHEER ON IN FAMILY DRIVEN TEAMING

WEDNESDAY
July 15, 2026

TIME
12:00 pm - 1:30 pm

Family Driven Teaming (FDT) uses the “Do For, Do With, Cheer On” progression to guide how professionals support families over time. This strengths-based, team-driven approach ensures that practice stays aligned with family voice and choice while intentionally shifting responsibility from staff to families and their natural supports.

What You’ll Learn:

- How the “Do For, Do With, Cheer On” model supports skill-building and empowerment
- When and how to transition between phases in real-world practice
- Strategies for balancing support, partnership, and independence
- How this progression is applied across both family work and workforce coaching

Why It Matters

- Builds confidence and competence in both families and staff
- Promotes sustainable outcomes and reduces service dependency
- Strengthens collaboration, accountability, and empowerment
- Aligns practice, supervision, and system expectations

Who Should Attend

Family support partners, care coordinators, supervisors, program leaders, and anyone implementing or supporting Family Driven Teaming approaches.
