

Join the Pennsylvania Commission on Crime and Delinquency (PCCD) and WestEd's Justice & Prevention Research Center (JPRC) for a stakeholder-specific engagement session designed to inform Pennsylvania's new statewide Continuum of Care for Communities model, funded by the Office of Juvenile Justice and Delinquency Prevention (OJJDP). Your voice is essential in shaping a model that elevates the insights of those closest to the work. Join us to help build a more responsive and community-centered approach to youth diversion in Pennsylvania.
