PERSAD CENTER

Carelon LGBTQ+
Specialized
Provider

Who We Are Persad Center is a behavioral health organization whose mission is to improve the well-being of the LGBTQ+, HIV/AIDS, and other marginalized communities since 1972.

We're Just a Call Away! As a Carelon specialized partner, we ensure all members get the care they need. Your members can connect with our therapists and/or psychiatrists from the comfort of their home through telehealth appointments with a computer and webcam. In-person care is available at our locations in Washington, PA, and Pittsburgh, PA, offering members the option to receive services face-to-face in a safe, supportive environment.

We work with any insurance provider. Partners include: Carelon, UPMC, Highmark, Medicare and Medicaid, and many more.

What We Do

Our specialized and licensed therapists provide culturally competent, trauma-informed care, including:

- Licensed Provider for individual, family, and couples counseling
- Licensed Provider for Drug and Alcohol/Substance Use Disorders counseling and treatment

Our professionally trained psychiatry team provides:

- Psychiatric Evaluation
- Medication Management

Other resources:

- Supportive LGBTQ+ training for organizations and agencies
- In-person Peer support groups, such as aging and transgender support groups
- Free, safe on-site gym for the trans and gender nonconforming communities

We welcome all individuals seeking our services, with priority given to:

- Members living with HIV/AIDS, those with substance use disorders, those transitioning from a higher level of care, high risk individuals, veterans, and Carelon members.
