Veterans are **required** to attend all D&A Screens, the morning or afternoon Group Counseling Session, all Squad Meetings, all Court Sessions, all Graduations, and all Veterans Meetings. Except for emergencies, if unable to attend, the Veteran is **required** to discuss the reason with either the Veterans Court Coordinator no later than noon on the Monday preceding the Court Session and provide a verifiable excuse. In an emergency, notification must be provided ASAP. Voice messages and emails are not acceptable forms of notification and will be considered as an unexcused absence. Unexcused and unverified absences or an excessive number of excused absences may result in sanctions or removal from the Veterans Court Program. All assignments must be submitted no later than noon on the Monday before the Court Session. Each month the issuance of military commands and the presentations of assignments are made by Alpha Team at the first Court Session and by Bravo Team at the second Court Session. The non-presenting Team arranges the Courtroom and should always be prepared to present assignments.
