**#2024-15 RESOLUTION** to approve the following Salary Board actions:

Resolution to create one Temporary Part-Time Intern position set at the ENVI1 Level in the Fiscal Department effective May 13, 2024.

Discussion: Controller Sherman inquired where the pay for the Temporary Part-Time position that is not covered by the grant was being paid from and how is this keeping with the directives by the Commissioners on no new positions created. Commissioner Coleman advised the remaining portion will be paid from the General Fund and this position was an exception. Commissioner Finley commented this position is a great value to the County, and by being compensated by a grant, it is also a cost saving measure for the work being performed.
