Comments on Agenda Items

Agenda Item 1: Payments to Polling Locations

- Proposal to increase the payment to private polling locations to \$150 per election.
  - The current payment is \$100.
  - We currently pay 57 polling locations.
  - This change would increase the costs of our polling location rent by \$2,850 per election, or \$5,700 annually.
  - We have not increased this payment since I started in 2020.

Note: Paying every polling location \$150 would cost the County \$13,500 per election as opposed to \$7,050 for only the private buildings.

Agenda Item 2: Approve the Development of a Electioneering Rules for Over-the-Counter Voting

- Proposal to develop rules that would govern behavior at the election office during the period in which over-the-counter voting is being conducted. The proposal will be approved by the Solicitor and include:
  - Restrictions on Electioneering that resemble those for polling places on Election Day.
  - Clear guidance on who can assist voters
  - Requirements for the posting of these rules at the election office.
