

MERCER COUNTY RECYCLING DIRECTORY 2019

Prepared by the Mercer County Recycling/Solid Waste
Department.

*If you would like your company included in this recycling directory,
please contact the Recycling/Solid Waste Department at 724-658-6925.*

*ATTENTION: Directory information is updated at the time of the publication, however
changes do occur frequently. Call for current information before you start collecting or
taking recyclable materials to a recycler.*

Table of Contents

Introduction	Page 3

Landfills & Transfer Stations	Page 25
What Belongs in Your Curbside Recycling Bin	Page 26

Introduction

The directory is organized into three primary sections.

1. **“Municipal Drop-off and Curbside Programs”**: Listed by municipality and includes contact information, materials collected, and times of collection.
2. **“Listing by Materials”**: This list is arranged by material and shows where materials can be recycled.
3. **“Alphabetical List of Recyclers”**: Lists Recyclers in alphabetical order including their address, telephone number, and material accepted.

Tips for Reducing Waste

When You Shop:

Packaging makes up more than 30% of consumer waste and uses 10 cents of every shopping dollar. Become an environmentally aware shopper and avoid buying over-packaged products which add to our waste disposal problem.

- Buy durable goods
- Repair and restore used items
- Buy items you can reuse
- Avoid excess packaging
- Buy items made from recycled materials

At Work and School:

- Start simply. Reduce waste by using both sides of the paper for copying and memos.
- Recycle office paper, aluminum cans, leaves and corrugated cardboard. Remember, it's the law!
- Use reusable coffee mugs.
- Buy only what you need.
- Do a waste audit to see what you are throwing away in the trash. Remember you pay for waste twice ... once when you purchase it and second to throw it away.

Frequently Asked Questions **About Curbside Recycling**

What is “Curbside Recycling?”

Curbside recycling is simply having recyclables picked up at your home. It does not mean that a physical “curb” is required.

Am I required to recycle curbside?

All residents and businesses in the following municipalities are required by state and local laws to recycle curbside:

- City of Sharon
- City of Hermitage
- City of Farrell
- Grove City Borough
- Greenville Borough

These are called “Mandated Municipalities.”

Residents and businesses of all other Mercer County municipalities are not required to recycle curbside but are encouraged to do so voluntarily. See *“I live in a Municipality where I am not required to Recycle Curbside but I would like to do so. What options do I have for curbside recycling?”* on page 5 for more information.

What can I recycle?

Most recycling programs in Mercer County collect recyclables via “single stream” recycling. Single stream recycling is designed to make recycling as easy as possible. All of the recyclable materials are mixed together in the same container. There is no need to separate them.

The following materials are typically included in single stream recycling programs:

- #1 through #7 Plastic Bottles
- Clear & Colored Glass Bottles/Jars
- Aluminum Cans
- Steel, Tin, and bimetal cans
- Magazines
- Corrugated Cardboard

- Newspaper
- Paperboard (cereal boxes, etc.)
- Junk Mail

If it is not on the list - it belongs in the trash or recycled elsewhere. This directory is a good place to start for finding other recycling options. Remember, if it is not on this list it will NOT get recycled when it gets to a recycling center.

What are the advantages of curbside recycling?

Curbside recycling is:

- EASY - All materials can be mixed together in the same container.
- CONVENIENT - You can do it at your own home without making a special trip to a recycling site.
- ENVIRONMENTALLY FRIENDLY - No more using your vehicle and your gas to drive to a recycling site.

I live in a municipality where I am not required to recycle curbside. What options do I have if I want curbside recycling service?

Some Mercer County residents that don't live in a mandated municipality may be able to recycle curbside. It depends on their hauler. Contact your current trash hauler to see if they provide recycling service in your community. Currently, customers of Tri-County Industries in many Mercer County municipalities have access to curbside recycling service.

What kind of recycling bin can I use for curbside recycling?

Recycling bins vary. Some haulers and municipalities will provide you with a container. You can also purchase your own container through a local hardware or department store. Wheeled containers and carts are easy to move and provide adequate room for all your recyclables. Traditional bins may be used as well.

What about Polystyrene (Styrofoam), Toys, Windows, etc.?

These items are TRASH... plain and simple.

Including items not listed for recycling, contaminates your recyclables and significantly increases the cost. All contaminates must be removed before the material can be recycled. None of these items will get recycled at a recycling center!

What about Plastic Bags?

Plastic bags do not belong in your recycle bin and will not get recycled if you include them. In fact, plastic bags are a major problem at recycling centers as they must be ripped open to free the recyclables and they impact recycling equipment resulting in system shut downs, often multiple times daily. Plastic bags can be recycled at most grocery stores.

What about Leaves?

All Mandated Municipalities offer leaf waste collection. Contact your municipality for details.

Mercer County Big Blue Bin Recycling Drop-off Locations

Open 24 Hours a Day, 7 Days a Week

Mercer County Curbside Recycling Programs

All residents and businesses of the following municipalities are required by state and local laws to recycle curbside. Residential information follows for each mandated municipality. Businesses are required to hire their own recycler.

City of Sharon Recycling Program

Contact Information: Tri-County Industries at 724-662-2510 or www.tricountyind.com. The City's website has additional information at www.cityofsharon.net.

Materials Collected:

- Glass food/beverage bottles and jars
- Aluminum, steel, and tin cans
- Plastic bottles & jugs
- Corrugated cardboard
- Magazines
- Newspapers, including inserts
- Mixed office paper
- Junk mail

How: At your curb. Materials can be mixed together.

When: Every week on the same day as trash pickup.

Spring/Fall Cleanup: No.

Large/Bulky Item Pickup: Yes. Contact Tri-County Industries for acceptable items or to purchase tags.

Leaves/Yard Waste: Yes. Check with the City of Sharon for a schedule and materials collected.

Christmas Trees: Yes. Live trees will be collected by Tri-County Industries in December, January and February. Remove adornments and do not place the tree in bags or carts. Cut the tree so the branch spread is no more than 4 feet across and trunk pieces are no longer than 6 feet.

Electronics/HHW: Yes. Residents can call ECS&R at 1-866-815-0016 to schedule a once per month, curbside pickup of acceptable materials.

City of Farrell Recycling Program

Contact Information: Tri-County Industries at 724-662-2510 or www.tricountyind.com.

Materials Collected:

- Glass food/beverage bottles and jars
- Aluminum, steel, and tin cans
- Plastic bottles & jugs
- Corrugated cardboard
- Magazines
- Newspapers, including inserts

- Mixed office paper
- Junk mail

How: At your curb. Materials can be mixed together.

When: Every week on the same day as trash pickup.

Spring/Fall Cleanup: No.

Large/Bulky Item Pickup: Yes. Contact Tri-County Industries for acceptable items or to purchase tags.

Leaves/Yard Waste: Yes. All leaf waste must be in bio-degradable bags, which can be purchased at most hardware and home improvement stores. Check with the City for schedule and materials collected.

Christmas Trees: Yes. Live trees will be collected by Tri-County Industries in December, January and February. Remove adornments and do not place the tree in bags or carts. Cut the tree so the branch spread is no more than 4 feet across and trunk pieces are no longer than 6 feet.

Electronics: Yes. Residents can call the City's Public Works/Code Department at 724-983-2703 to schedule a curbside pickup.

City of Hermitage Recycling Program

Contact Information: Tri-County Industries at 724-662-2510 or www.tricountyind.com. The City's website has additional information at www.hermitage.net.

Materials Collected:

- Glass food/beverage bottles and jars
- Aluminum, steel, and tin cans
- Plastic bottles & jugs
- Corrugated cardboard
- Magazines
- Newspapers, including inserts
- Mixed office paper
- Junk mail

How: At your curb. Materials can be mixed together.

When: Every week on the same day as trash pickup.

Spring/Fall Cleanup: Yes.

Large/Bulky Item Pickup: Yes. Tags are available for purchase through Tri-County Industries or at the City Building.

Leaves/Yard Waste: Yes. Leaves, grass clippings, branches less than 4 inches in diameter, brush up to 4 feet in length, plants, flowers, roots, shrubbery, wood chips, and saw dust.

Christmas Trees: Yes.

Electronics: Yes. Residents can take their electronics to the City Garage located at 5250 Virginia Road every first and third Friday, year-round, from 7 AM till Noon. For more information on acceptable items, visit www.hermitage.net.

Grove City Borough Recycling Program

Contact Information: Tri-County Industries at 724-748-4705 or www.tricountyind.com.
The Borough's website has additional information at grovecityonline.com.

Materials Collected:

- Glass food/beverage bottles and jars
- Aluminum, steel, and tin cans
- Plastic bottles & jugs
- Corrugated cardboard
- Magazines
- Newspapers, including inserts
- Mixed office paper
- Junk mail

How: At your curb. Materials can be mixed together.

When: Every other week on the same day as trash pickup.

Spring/Fall Cleanup: No.

Large/Bulky Item Pickup: Yes.

Leaves/Yard Waste: Yes. Lawn debris and leaves must be in containers. Brush must be stacked in one direction. Grass clippings are not permitted. Visit the Borough's website for the pickup schedule.

Christmas Trees: Yes. Contact the Borough for more information.

Electronics/HHW: No.

Greenville Borough Recycling Program

Contact Information: Tri-County Industries at 724-748-4705 or www.tricountyind.com.
The Borough's website has additional information at greenvilleborough.com.

Materials Collected:

- Glass food/beverage bottles and jars
- Aluminum, steel, and tin cans
- Plastic bottles & jugs
- Corrugated cardboard
- Magazines
- Newspapers, including inserts
- Mixed office paper
- Junk mail

How: At your curb. Materials can be mixed together.

When: Every week on the same day as trash pickup.

Spring/Fall Cleanup: No.

Large/Bulky Item Pickup: Yes. Contact Tri-County Industries for acceptable items or to purchase tags.

Leaves/Yard Waste: Yes. All leaf waste must be in bio-degradable bags, which can be purchased at most hardware and home improvement stores. Visit www.tricountyind.com for the pickup schedule.

Christmas Trees: Yes. Live trees are collected by Tri-County Industries in December, January and February. Remove adornments and do not place the tree in bags or carts. Cut the tree so the branch spread is no more than 4 feet across and trunk pieces are no longer than 5 feet.

Electronics/HHW: Residents may call Tri-County Industries at 1-800-457-8202 or visit www.tricountyind.com to set up a collection appointment for acceptable items.

Hermitage, PA 16148

Advance Auto Parts 814-336-5415

18249 Conneaut Lake Road
Meadville, PA 16335

Advance Auto Parts 814-437-6766

1019 South Liberty Street
Franklin, PA 16323

Advance Auto Parts 724-656-8093

6 Winter Road
New Castle, PA 16101

Materials Collected: Anti Freeze, Car Batteries, Lead-Acid Batteries (non automotive), Motor Oil, Oil Filters, and Transmission Fluid

Allshouse Appliances 724-654-4334

3457 Wilmington Road
New Castle, PA 16101

If you order new products from Allshouse they will take your old ones for no charge.

The Antique Emporium 724- 847-1919

818 7th Avenue
Beaver Falls, PA 15010

Drop off for commercial and residential

Materials collected: packing peanuts, bubble wrap; call for other types of packing material

Ashtabula Iron & Metal 814-333-9333

11010 McHenry Street
Meadville, PA 16335

Materials collected: Ferrous & non-ferrous metals

Associated Paperstock, Inc 330-549-5311

11510 South Avenue Extension
North Lima, OH 44452

Drop off for commercial and residential

Web: www.associatedpaperstock.com

Materials collected: cardboard and office paper, buy back corrugated cardboard only if baled. Operate a M.R.F. – Collect and process plastics #1 - #7.

Metals-Aluminum/News

Accept many different types of plastics and fibers. Can call to look into if material is accepted.

Auto Zone 724-450-0374

634 West Main Street
Grove City, PA 16127

Auto Zone 724-347-1633

2975 East State Street
Hermitage, PA 16148

Auto Zone 724-588-8332

15 Hadley Road
Greenville, PA 16125

Auto Zone 724-654-0525

2011 East Washington Street
New Castle PA 16101

Auto Zone 724-654-4034

1312 West State Street
New Castle, PA 16101

Drop off for residential only

Take up to 20 quarts a month and/or household

Materials collected: used motor oil, transmission fluid, hydraulic fluid, and automotive batteries

Battery Solutions, Inc. 800-852-8127

service@batteryrecycling.com

www.batteryrecycling.com

Mail-in program for government, business and residential.

Materials collected: dry cell (Alkaline, Nickel Cadmium, Nickel Metal Hydride, Lithium Ion, Lithium, Mercury, Silver, Manganese, Zinc Air, Lead Acid, And Zinc Carbon); and wet cell (Lead Acid Flooded Cell Batteries, VRLA Non Spillable Lead Acid

Batteries, Nickel Cadmium Batteries, And Zinc Carbonate Batteries) See website for additional items.

Battery Warehouse 724-458-1655

1424 West Main Street
Grove City, PA 16127

Drop off for commercial and residential

Materials collected: lead acid batteries, nickel cadmium (Ni-Cd) batteries, any rechargeable batteries, alkaline (\$3.00 fee per pound for alkaline batteries only)

Best Buy

Retail stores will take three items per day per customer. Retail stores are located:

- Boardman, Ohio 330-758-6430
