## Mercer County's Registered Waste Haulers

*Waste haulers offer a variety of services for households and businesses. These services may include curbside trash collection, dumpster services, roll-off service, bulky item hauling and/or household cleanouts.*

*In Pennsylvania, anyone hauling trash is required to have their name, address, and phone number on both sides of their vehicle. The Mercer County Transporter Ordinance and the Mercer County MSW Management Plan also establish rules and regulations for the proper collection, transportation, and disposal of municipal waste. These requirements protect the health, safety and welfare of residents and their communities.*

*The following is a list of haulers that are registered with the Department, ensuring their company is in compliance with local and state regulations. Registration is free and voluntary.*
